MECHANICAL CONTRACTORS ASSOCIATION OF N. B. INC. SCHOLARSHIP

NAME: Mechanical Contractors Association of N. B. Inc. Scholarship

VALUE \$600.00

FREQUENCY: Annual

ELIGIBILITY: Graduate of New Brunswick High School who has successfully completed the first year of the Mechanical Engineering Technology program at a New Brunswick Community College and has selected the HVAC option of the program entering the second year. If no eligible candidates are found, then eligibility also will be open to students selecting other options with the Mechanical Engineering Technology program.

QUALIFICATIONS: Selections will be made on the basis of scholastic attainment and financial need as well as a demonstrated leadership ability in the community and/or school environment.

Weighting: Scholastic Attainment - 40%

Financial Need - 40%

Leadership - 20%

APPLICATION: Students will apply through the Student Services Offices at the New Brunswick Community College – Saint John Campus.

SELECTION: To be selected through mechanisms currently in place within the New Brunswick Community College system.

PRESENTATION: To be presented by a representative of the Mechanical Contractors Association of N.B. Inc., usually the Chairman. A public presentation is desirable but may not always be practical.

PUBLICITY: The Department of Advanced Education and Training would be responsible for assuring that all eligible students be made aware of the availability of the scholarship. They would also be responsible for publicity concerning the presentation, i.e. insertion of picture and text in major provincial daily newspapers and such other newspapers or publications as requested by the Mechanical Contractors Association of N.B.
